

JASON M. SUSS, DMD • GENERAL DENTISTRY

"Patient comfort and satisfaction are our top priorities," says Dr. Jason Suss, whose approach to dentistry focuses on a beautiful and functional smile, with careful consideration also for systemic health. "We look at the whole person and work hard to make each patient feel thoroughly cared for and part of our dental family."

Providing general, cosmetic and implant dentistry, Dr. Suss believes this *New Jersey Monthly* Top Dentist award took a team effort to achieve. He credits his professional and devoted staff for helping create positive patient experiences, as well as his network of talented specialists who work with him to provide the highest level of care. Dr. Suss truly values his loyal and dedicated patients for entrusting him with their oral health.

With a reputation for excellence, Dr. Suss cares for many current and retired dentists and their families. He strives for perfection. "I enjoy watching patients' lives transform through their smiles," he says. His cutting-edge office is both high tech and spa-like, equipped with digital X-rays, soft dental lasers and oral cancer screening devices, as well as plush amenities, including a waterfall, custom music, and massaging dental chairs. He is a certified Invisalign® provider, donates care through several local charities, and has been recognized by Consumers' Research Council of America as a Top Dentist.

In practice for almost 10 years, Dr. Suss is a UMDNJ graduate with residency training at Newark Beth Israel Medical Center, where he served as chief resident. He completed postgraduate training in surgical and prosthetic implantology at NYU.
